

Save Sitekey failure -2

Problem: When entering a site key, the system issues the following error:

Cause: You mistyped the site code. An invalid site code was entered

- Make sure all 0 are entered as zeros and not capital Os.
- Make sure Bs are not 8s or 8s are not Bs
- Make sure 1s are not 7s or 7s are not 1s
- Make sure the site code matches the submitted site code.
